These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colour, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sales and Warranty given by the Distributor or Dealer, copies of which may be obtained from him/her on request. Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer or Distributor, especially if your model selection is dependent upon one of the features advertised.

## ISO-Fix Child Seat: Top-Tether System

- 30 **Leather Steering Wheel**  
Enjoy the turns and bends with this leather steering wheel for the CR-V.
- 29 **Leather Gearshift Knob**  
Feel in control handling the leather gearshift knob. Choose for Shiny Black or Titanium finish. Available as from spring 2005.
- 25 **ISO-Fix Child Seat**  
The ISO-Fix system features special connection points for the best possible fixation. For even better protection in case of rear, side or even frontal impacts, Honda's innovative ISO-Fix child seats feature a unique top-tether system (see drawing). Thoroughly tested for the CR-V two made-to-measure child seats can be installed in the left and the right rear seat.
- 44 **Trunk Tray**  
Designed to protect your CR-V's interior, this soft anti-slip tray is flexible and perfectly fits your trunk, without limiting the flexibility of the rear seats. Features CR-V logo.
- 42 | 43 **Dog Guard**  
Safely keep your four-legged friend in the back of your car with Honda's dog guard and its lower extension. Combine these solid items with the trunk tray and your interior is perfectly protected from dents and scratches your dog might make.
- 8 **Navigation DVD / CD Tuner**  
To help you find your way almost everywhere in Europe, your Honda Navigation DVD system is a sophisticated, user-friendly piece of equipment. The Main Menu offers seven different ways to enter a desired destination: Address, Places (POI), Intersection, Map Input, Favourite Places, Previous Destination, and Phone Number. The system provides a map type screen and arrow to arrow type screen, as well as audio driving instructions. These instructions are provided well in advance of the actual driving manoeuvre, giving you time to slow down and change lanes if necessary. Key features for the tuner are: AM/FM band, RDS (Radio Data System), TA (Traffic Announcements), AF (Alternative Frequency). Navigation DVD-ROM of Europe available separately. Please consult your local dealer for more information.

## 5 In-Vehicle Entertainment System

Choose for the highest quality in DVD movies, music, and video games on the road. For an incredibly clear view from the entire back row, Honda's In-Vehicle Entertainment System features a unique 7" flip-down LCD screen boasting special filtering technology. For the ultimate sound experience it connects to the speakers of your CR-V's stereo system. From simple play to zoom in, all functions are always at hand with the system's remote featuring self-reflecting buttons for easy operation at night. Other features include MP3 play, parental control lock, and multi-lingual on-screen messaging. The system comes with two sets of wireless infrared headphones.

## 6 Subwoofer

Measuring only 16cm in diameter and 4cm in height this high-performance subwoofer combines remarkable compactness with amazing 120W maximum power and extremely low current consumption. Its secret lies in its innovative Neodymium magnet, ten times more powerful than that of conventional speakers. In short, this Honda subwoofer boasts power as well as quality.

## 19 Parking Sensors

Handy during difficult parking manoeuvres in the city. By means of 4 sensors installed on the rear bumper, the distance from obstacles within 1.5 metres is detected. The driver is warned through a clearly audible signal in the cabin area.

## 18 Fog Lights

Honda's powerful fog lights for the CR-V are nicely integrated into the front bumper. Designed to watch over your safety in the most difficult weather conditions.

## 28 Front Storage Armrest and Lid

For small personal items this wide front armrest in black has a storage box under the lid. Also available in Dark Titanium.

## 3 2<sup>nd</sup> DIN 6-Disc CD Player

Play up to six of your favourite CDs on this Honda CD player for the CR-V.
